THANK YOU!

“To all the volunteers who helped out during the 2021 Grrr-age Sale!

I would like to personally say thank you to all the volunteers for the Grrr-age Sale.

It could never have been successful without you and the many other volunteers who dedicated a lot of time for us to raise nearly \$6,000!”

Jean Austin

Jack, thank you for giving up your ‘space’ so that we could store items for weeks on end! Jean, thank you for organizing the volunteers and for the countless hours you put in to make this a successful event! Of course, thank you to all who volunteered with sorting and organizing, donating items, and shopping! We couldn’t have done this without your support!

HOW CAN YOU HELP?

It takes a village! Not only do we have a number of volunteer and foster opportunities available, you can help support our missions just by shopping through Amazon Smile or making a personal donation through PayPal. Or perhaps your place of employment has an employee matching program? Plus, it's not too early to think about being a sponsor for 2022!
