*Our animal coordinators and fosters continue to be busy.*

*In 2023, Friends of Noah rescued over 90 animals. As of 1/24, there are 30 animals in care.*

*Thank you to everyone who is involved in giving rescues a new chance at life!*

## Can you help?

Several volunteers are needed for upcoming community engagement events!

Friends of Noah is seeking individuals to assist with the following:

Mounds Information Table (monthly)

Mounds People for Pets (February)

Basics Round-Up (March)

Community engagement events are a low-key way to build relationships with the businesses that support Friends of Noah and their guests. These events provide a way to interact with the public (without pressure!) and share how Friends of Noah helps the community.

For more information, and/or to sign up for a shift, please visit the [Events page](#) on the Friends of Noah website.

# Committee Reports

## C.A.F.E. (Companion Animal Food Effort)

The month of December saw several pet food drives!

While all the numbers are still coming in, we'd like to thank Badger Vet, Milton Vet Clinic, Hays Dental, RES, and Mounds for hosting pet food drives!

Thank you to everyone who donated during these 'food-raisers'! Your donations help to support needy animals in the community. Friends of Noah works with local food pantries to help support pet owners who might not otherwise be able to feed their pets - thereby avoiding surrendering.

***Thank you for helping make a difference!***

*Were you one of the 1500+ to visit the Victorian Holiday Open House? There were 3X the number of visitors this season as there were in 2022 and nearly double the amount of visitors pre-Covid!*

*Huge thanks to Mike Nieman & Tom Joyce for spending countless hours decorating and giving up several weeknights to 'host'! There aren't many people who would be willing to take that on and we are so grateful they do ♥*

*We would also like to thank Josh Spreitzer (and his videographer) of Channel 3000 for sharing with their viewers. Also thanks to reporter Katie Garcia and photographer Anthony Wahl of The Gazette for the front page coverage. Of course, thank you to EVERYONE who helped hang up posters and share the word any way they could! You are all appreciated!*

## Noah's Animal Fund

In December, NAF recipients included:  
\$800 - Cleo (dog with broken leg)
